Advocacy/Bike and Walk Friendly Montana

Existing

- Perform statewide support for, provide resources, share examples and best practices and work directly with advocates to
 - Adopt better policies
 - Increase the number of bike and walk friendly communities, businesses, and universities with them more walkable and bikeable
 - Move forward with specific initiatives / projects, i.e., establishing a bike camp, promoting bicycle tourism, promoting Safe Routes to Schools
 - Advocate and connect with MDT
- Location support
 - Bike Walk Helena – steering committee, Centennial Trail, Camp Child, Blackfoot Divide, Healthy Communities Coalition
 - Flathead Trails coalition – offer support, possible chapter
 - Bike Walk Bitterroot – Insurance coverage for Farm to Fork ride
- Close out AARP grant - @\$3500
- Support Community Bike Shops/Kitchens
- Montana Adaptive Bicycle Collaborative – continue with partners on long range planning
- MT Trails Rx – Prescription Trails Program
 - In partnership with MT State Parks
 - Currently Missoula, Helena, Bozeman, Dillon, Livingston, and Miles City have implemented the program (that we know of).

New

- Traffic Garden pilot project/Helena
- Senior Walks/Walk Audits for Wellness pilot/Helena – MT Geriatric Education Center grant
- Start Monthly advocate tele-conference call
- Develop Pedal/farm/fork event toolkit

Legislative

- Encourage local activists to elect active transportation supporting legislators
- Interim committee

Outreach

- Hold Bike Walk Summit in fall
- Electronic newsletter - continue
- Electronic action alerts as necessary
- Website – bikewalkmontana.org and Facebook
 - Blog
 - Calendar - Advocacy events, in partnership with local groups
 - Finalize change over
- Speak at public workshops / forums/events
- Expand media presence
 - Video series – Melissa Jensen – MT History Foundation

Organization

- Update and implement development plan
 - Three source plan including donors, membership, and grant
 - Identify large donors and approach
 - Secure Grant Funding
 - Continue basis of small donors and continue to expand
- Maintain a full and active board of directors
- Executive Director – reduce expense, Communications/Outreach liaison (1/2 time), 450 hour Energy Corps education coordinator, possible Carroll College intern in communications
- Strengthen and increase effectiveness of board committees
- Set and communicate calendar
- Provide support to chairs
- Complete committee charters where needed
- Utilize “GoTo Meeting” as more effective “Montana distancing” communications tool
