

FORT MISSOULA REGIONAL PARK PRESCRIPTION TRAIL

Walking is a fun, simple and effective way to reap the many benefits of regular exercise. Rx Trails, a program of Montana State Parks and its partners, helps folks increase activity, combat obesity and enjoy the great outdoors!

FORT MISSOULA REGIONAL PARK WALKING TRAILS

Fort Missoula Park is conveniently located adjacent to the Community Medical Center campus. The trail offers beautiful views of south Missoula and the Bitterroot Mountains, areas to enjoy youth and adult sports and quiet spots in which to relax and enjoy nature.

Distance	1.5 miles
Difficulty	Easy - flat
Trail Surface	Compacted gravel, ADA-accessible
Lighting	None
Parking	3 adjacent lots
Please keep pets leashed and remove pet waste.	

For more information, phone Missoula Parks and Recreation at 721-PARK or visit www.missoulaparks.org.
